Cup O' Cafe

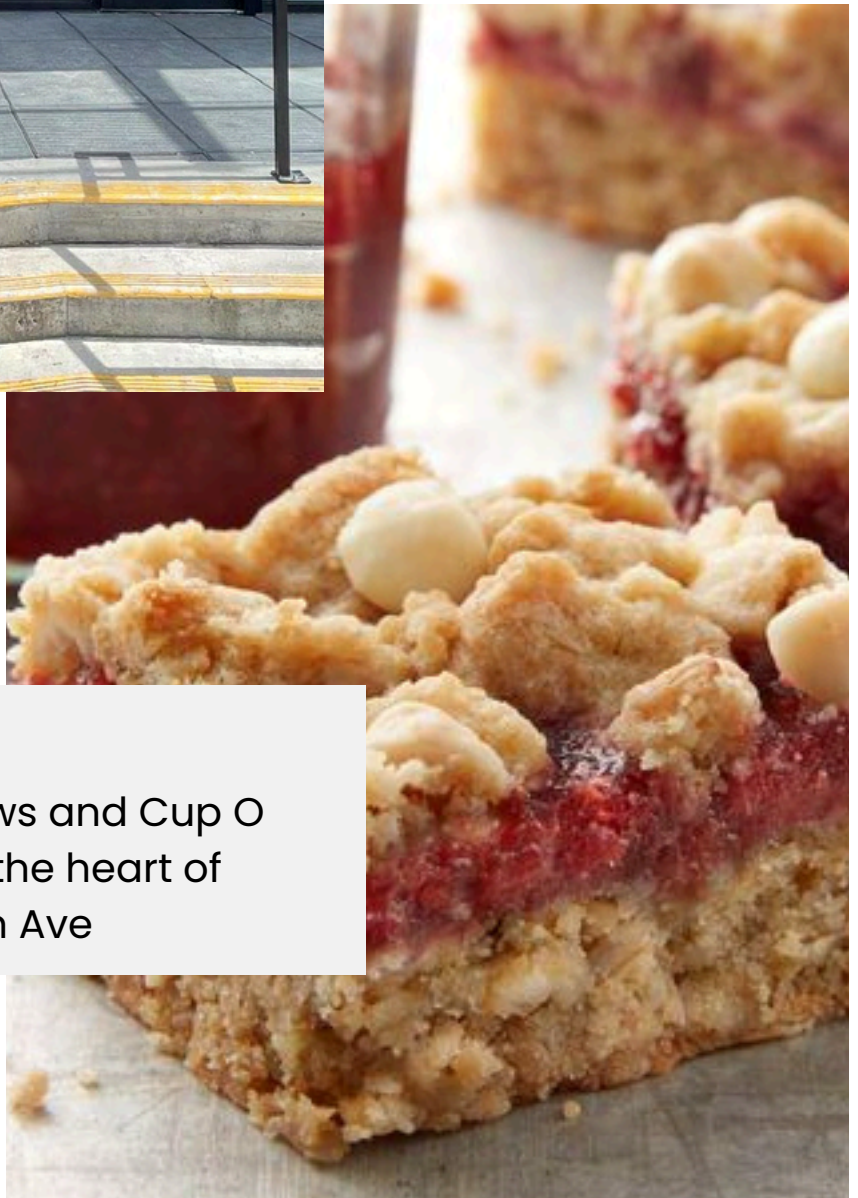

EXPRESS *News*
CONVENIENCE

WHO WE ARE

Express News and Convenience stores in British Columbia are strategically located in high traffic areas like sky train stations, malls, and residential neighborhoods. Store sizes vary from 200 to 1500 square feet, with some offering seating areas and workstations. Each store is tailored to meet specific market needs, offering a range of products. Established in 1998, the chain carries convenience items, tobacco & vape products, imported cigars, groceries, fresh sandwiches & pastries, bean to cup fresh coffee, snacks & chocolates, confectionary items, beverages, gift & phone cards and souvenirs under the trademark Express News and Smokes by Kansas Enterprises Ltd.

OUR LOCATIONS

LANGLEY

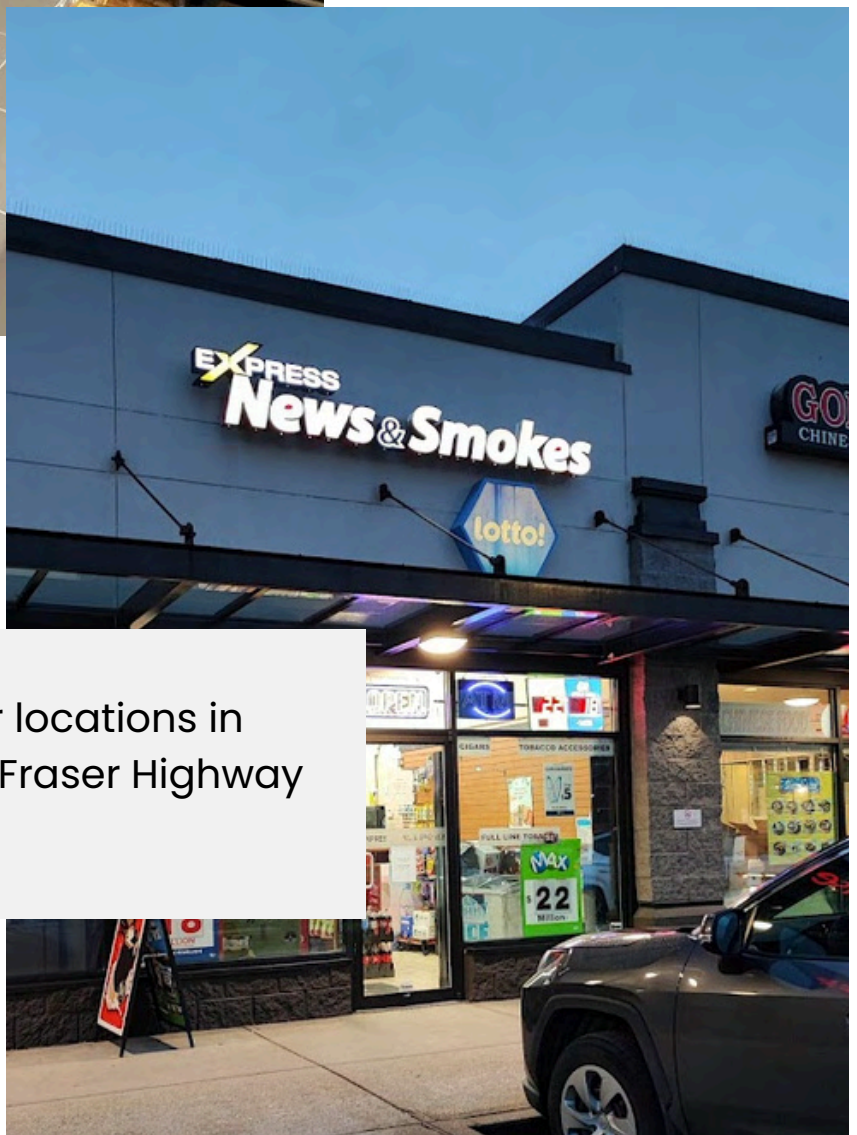

Our newest Express News and Cup O Cafe now operating in the heart of Langley at 20360 Logan Ave

LANGLEY

Launched in Summer 2024, the newest additions to the express news family came in the form of this double collaboration between Cup O Cafe and Express News Convenience, offering an amazing and comforting cafe like experience with all the ease of a convenience store

LANGLEY

We also have two other locations in Langley, located along Fraser Highway and 83rd Avenue

OUR SUPPORT

Running and managing your own business can be difficult. From legal documents to finding the right suppliers and ensuring you can compete with larger businesses.

At Express News every franchise is important to us and we extend our help to ensure the utmost success. We believe in building businesses and continue to provide constant support throughout the year.

OUR SUPPORT

TURN KEY OPERATIONS

We help you negotiate your lease with your landlords for the store to get a better deal and also keep a flexible option on our lease agreement with you as well. We also help you design and build your store along with providing you market research and advice based on your location.

OUR SUPPORT

PRICE ADVANTAGE

The support we give you day-to-day will allow you to have the lowest price compared to other convenience stores. We will also help you place your order for your inventory online and give you advance notice on price drops to help you plan your inventory better. We also offer contract pricing on most of our products

OUR SUPPORT

MONTHLY PROMOS

We help you set up monthly promos to help you stay competitive. We also talk to our suppliers and help the stores offer combo deals as well as rebate programs. We also offer smart and return guarantee programs to ensure you are never inconvenienced with a product you don't need. To help boost morale, we also offer sales performance programs

ADDITIONAL SERVICES

CANADA POST OUTLET

We also have Canada Post outlets tied to our Express News, which can be an added source of income.

CUP O CAFE OUTLET

Our new franchise; Cup O Cafe along with Express News is the perfect combination of artisanal coffee and the warmth of a convenience store

ADDITIONAL SERVICES

INVENTORY MANAGEMENT

We help you stock up your inventory by alerting you on price drops and offering lower than market prices

FREE TRAINING & ONGOING SUPPORT

Running a business is difficult and time consuming, which is why we set you up for success by providing you free training and continuous support.

ADDITIONAL SERVICES

NO HIDDEN FEES

At Express News you get the guarantee no hidden and additional fees. You only pay a flat franchise and royalty fees along with a down-payment and that's it!

DIGITAL P.O.S SYSTEM

We provide you with a very capable digital P.O.S system built in with its own user-friendly accounting software to help you track and manage your cash flow

ADDITIONAL SERVICES

LOWEST LEASE AND INSURANCE

We offer the best lease prices and help you maximize insurance coverage at low costs.

EXCLUSIVE CONTRACTS

We help you get ahold of exclusive tobacco and vape contracts that can otherwise be difficult to acquire along with exclusive B.C.L.C incentive programs

ADDITIONAL SERVICES

FIRST TO RECEIVE NEW PRODUCTS

We are the first to receive new product drops in the market which will ensure our stores stay competitive year round

ATM & AUXILIARY BENEFITS

We can help stores acquire and install ATMs along with any other requirements you need
